Community Forum on Safer Mobility and Wellness

About Our Event:

Join us for a free, interactive community forum where neighbors of all ages can explore new possibilities for safer and more accessible ways to move around our community. In a structured conversational setting, participants will share perspectives, spark ideas, and co-create solutions that support healthier environments and smarter travel options for everyone. This is one of a series of forums across Clark County, Washoe County, and Carson City.

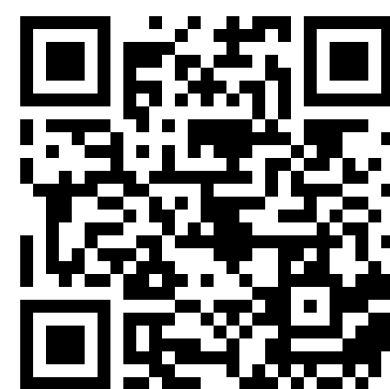

AUGUST 18, 2026

04:00 pm - 06:00 pm

**Department of Human Services
10375 Professional Circle
Reno, NV 89521**
