

SIDEWALKS To Systems

Community Forum on Safer Mobility and Wellness

About Our Event:

Join us for a free, interactive community forum where neighbors of all ages can explore new possibilities for safer and more accessible ways to move around our community. In a structured conversational setting, participants will share perspectives, spark ideas, and co-create solutions that support healthier environments and smarter travel options for everyone.

American Sign Language (ASL) and Spanish Interpretation available for those who request it at registration

AUGUST 26 , 2026
