DHHS Diversity, Equity and Inclusion (DEI) STEERING COMMITTEE

The Steering Committee is charged with actioning of the Governor's Proclamation naming racism a public health crisis, under the direction of NOMHE. To achieve its mission, the Steering Committee will assess DHHS's workforce inclusivity. DHHS's personnel are dedicated to providing health care and human services; intentional development of its composition to reflect the diversity of the state will transfer/result in more culturally responsive delivery of resources, thereby addressing health disparities.

- Data Mining of HR Indicators
- Key Informant Interviews
- Focus Groups
- Climate Survey
- Situational Analysis

NOMHE CAPACITY

- Organizational Structure within DHHS
- Dedicated Staffing
