WHO WE ARE

The NMHEC is a partnership of academic, civic, private and community organizations that aim to address health disparities and inequities in Nevada by building capacity, informing policy, and conducting research.

MISSION

To promote the health and well-being of diverse communities by pursuing research, capacity building, and advocacy that recognizes the unique cultural and linguistic differences of Nevadans.

VISION

NMHEC recognizes inequality as a co-morbidity and therefore promotes the elimination of preventable health disparities. Our vision of a healthy community is one where:

- All diversity and equity communities have a seat at the table

- Diversity and inclusion within the community is respected and valued by community members, institutions, and policy makers

- Everyone has equitable access to quality primary and behavioral healthcare and social services

- Work is conducted in partnership with diverse stakeholders to identify and address the social of determinants of health
